

SAN CLEMENT TRAINING'S *May Newsletter*

Did you know May is National Pet Month?

Celebrate and strengthen your relationship with your best friend by booking training with us.

April Photos of the Month

Countless fun photos were taken this month between our Easter photoshoot and regular classes, but we think Sharky Seven and Lady Chimera stole the show.

Upcoming Events

May 16th: 9am-11am- Mixed Group Class
May 23rd: 9am-11am- Mixed Group Class
May 30th: 9am-11am- Mixed Group Class
June 13th: 9am-11am- Summer/Beach Theme

Scheduling Sessions

We have recently welcomed several clients to the San Clemente Training Family. This means our scheduling has become slightly less flexible. We suggest booking time slots several sessions in advance to ensure you retain the most convenient schedule for you.

Public Training Class Opportunity

We have several people interested in a group class centered on handler focus and fine-tuning task training with consistent public distractions. This class is primarily for prospective service and therapy dogs, but exceptions will be made for specific dogs that meet our criteria. The timing of this class will likely fluctuate based on the participants' schedules. Message us directly if you are interested and would like to learn more.

We Need Your Help!

Mira Needs a New Home!

Mira is an 11-month-old Standard Poodle looking for a new home. Her current family can no longer house her as she is currently unsafe around their children.

Due to negative experiences from before they adopted her, she struggles greatly with anxiety around strangers. We are urgently seeking a quiet, child-free home or rescue organization that would be willing to foster/adopt this free girl. To learn more about how to help Mira, please visit her profile on the available dogs section of our website.
